

OPTIONS OPT

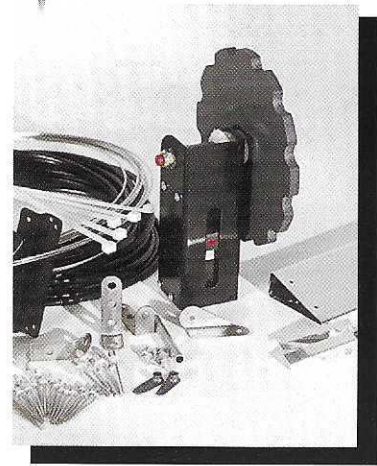

Dress up the inside of your Coyote II with our custom molded interior kit. Parts come with molded-in trim lines for an exact fit. Comes with a 50-pound capacity baggage compartment. Choose from 4 colors.

Switch out the stock bungee trim for this elevator trim tab system. Tab attaches to the trailing edge of the elevator and can be installed after completion.

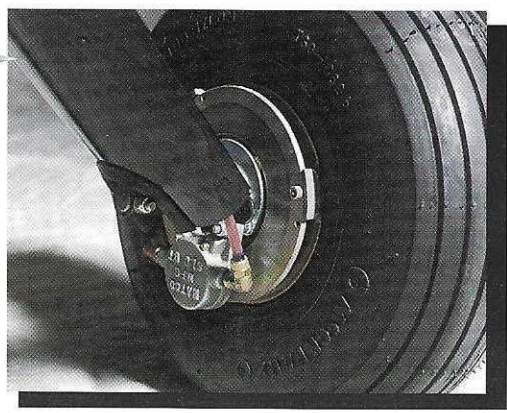

Add the touch of luxury with a choice of deluxe or super deluxe seat upholstery. (Super deluxe shown) Deluxe features one solid color of fabric.

Select this baggage compartment if you need the storage and don't option for the interior. Good for 50 pounds of cargo.

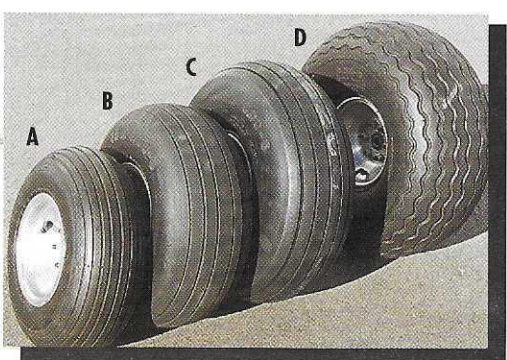

Decrease landing roll outs with these powerful hydraulic brakes. All hydraulic brakes include aircraft grade or tundra tires.

Add even more baggage space with this aft storage compartment option. Carry up to 30 pounds in large, bulky items like guitars and duffel bags.

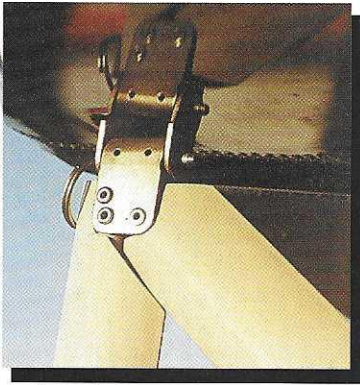

- A- 13-4.00 X 6" STOCK TIRE
- B- 5.00 X 5" AIRCRAFT TIRE (Still fit in wheel pants)
- C- 6.00 X 6" AIRCRAFT TIRE (Same diameter as the tundra)
- D- 8.00 X 6" TUNDRA TIRE (Low pressure for landing on soft fields)

ION

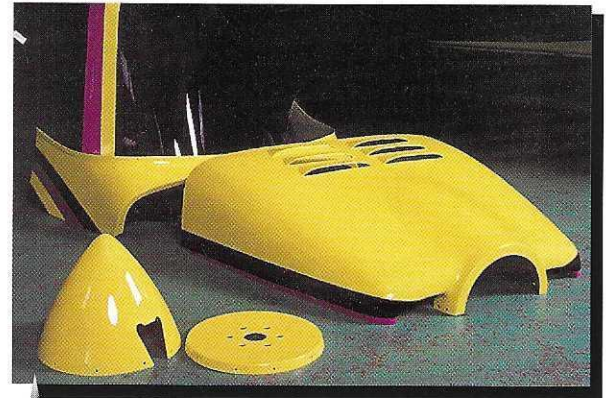

OPTIONS

Reduce drag with these jury strut fairings.

Top of the line strobes from Whelen are 3 lights in one: strobe, navigation and position.

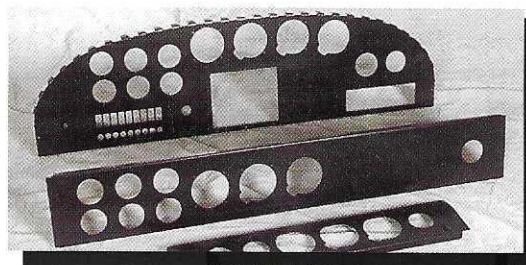

Go for the top of the line engine and get the best deal in performance, economy and durability. The 912 is the engine that has made flying affordable again. Ask us to show how a 912 is the best buy overall.

Opt for the sleek 2-piece fiberglass cowling and decrease drag and increase panel space with the Super Six Retro Option. This option features a heavier windshield, fiberglass deck, panel, panel top with fabric and fiberglass cowl and spinner.

CUSTOM PANELS

The S-6ES stock strip panel comes cut out and painted. However, you can have the stock or the Super Six retro panels sent as a blank, or cut out to your specs. Specify your wishes when ordering. Layout templates come in the Assembly Manual, then you draw it and we cut it. Your panel will come painted and ready to install. (Choice of gray or black)
